

Black Legislative Day - February 14th

Did you know?

El Paso County legislators
ignored the Colorado
Springs African American
delegation at the state capitol.

A Question to Governor Hickenlooper:

How do you plan to address African
American issues?

His Answer:

One of my goals is to appoint people of
color to boards and commissions.

For more information on boards and commissions please call: (303) 866-5232
